		people, families and tourists	<i>made</i>
	33. Opportunity for tourism development project	Community supported enterprise	UNABLE TO CONTINUE DUE TO LACK OF CAPITAL FUNDING
Clarify communication lines and responsibilities for the “hard basket” tasks identified by agencies – the ones that do not fit comfortably within a single area of core business responsibility, and service gaps are identified.	34. Clear guidelines for members of agencies on what action to take when specific risk behaviours occur in the community	Support from across central and local government to minimise risks in the community	<ul style="list-style-type: none"> Relates to young people found drunk on the streets who need a process in place: core agencies now have clarity over their roles Lewis still looking at preventative health intervention, esp re link to gambling Removed from action plan as agreed that this is outside the scope of K-Oper-8 work. Have asked to be kept in the loop via the PHO, and agreed would help in future if required.
Group response to new application for liquor licence in Kawerau	35. A unified, co-ordinated response to the application is made Mobilisation of the community in response to the application	Clear messages are sent to the appropriate authority about community views The community reacts to influence decision making outcomes that affect them	Application for a Kawerau outlet has never been lodged, therefore no further action required. Removed from the plan as no further action required. It was agreed that the group has undergone a steep learning curve about what locals do and do not have control over in terms of process and action, and there has been an increase in awareness of the issue.
Strengthen Rock On Process in Kawerau	36. Clear joint processes in place for primary and intermediate aged children not	Kids attending school regularly Reduction in children’s	<ul style="list-style-type: none"> This is an initiative operating between Education, Police and CYF. 	attending school	and young persons offending	<ul style="list-style-type: none"> Principals will be meeting with Jackie Talbot (MOE) in Oct/Nov. The project is actively progressing.
	37. Universal understanding across agencies about that process 38. Full agency and community buy-in and responsibility for school attendance	Agencies working in partnership for joint outcomes	<ul style="list-style-type: none"> Removed from action plan, as the initiative must be lead jointly by Education and Police, supported by CYF. At this stage there is no role for K-Oper-8 to play. Stuart Cook to report back in January/February on progress, for K-Oper-8 to see if there is a supporting role they can play.
School Attendance Project focussing on 5 and 6 year olds	39. An early intervention approach to improve school attendance behaviours 40. Joint responsibility across agencies and community to support parents	Parents working with agencies to proactively address barriers to their children's regular school attendance A Community attitude that unexplained absence from school is not acceptable	<ul style="list-style-type: none"> Lack of continuity of Police engagement Transient populations – need to focus on specific families Confusion: kids don't have to start school until age 6 Attendance records at ECE's – no formal requirement <ul style="list-style-type: none"> Removed from action plan. Decided that RockOn should take priority, and with schools undertaking this initiative, there is little time and energy left for this early intervention project. Agreed to revisit this project in 6 months time, when the impact of RockOn will be evident.
