## It's our shot Kawerau!

This Saturday 16 October from 9am - 3pm Kawerau Town Hall will be hosting Super Saturday. Super Saturday is a nationwide event of action to try and get as many people vaccinated as possible. If you have already had one or two doses - shot!

But your job is not done. To best protect your whānau, community and the rest of Aotearoa, reach out to any people you know who may still have some hesitation about being vaccinated and need some help and support to get it done. As the stats are currently tracking, Kawerau is behind compared to other regions around the country for its vaccination numbers.

Kawerau has 40.1% fully vaccinated. We will need to all work together to help get those numbers up. For more information regarding the vaccine please visit the government official COVID-19 website at [covid19.govt.nz](https://covid19.govt.nz).

**Your Vaccination protects your whanau and your community**

Plus the more people get vaccinated the more money up to \$35,000 will go to

Kawerau Health Shuttle  
Order of St Johns  
Kawerau Junior Sports  
(JAB Rugby, Netball, League, Touch, Soccer)

Thanks to Mercury for their support
