9	About Land Information Memorandums
	<p>A Land Information Memorandum (LIM) is a report that is prepared by a Territorial Authority (in this case, the Kawerau District Council), in relation to matters affecting land and buildings on a particular property.</p> <p>In accordance to Section 44A of the Local Government Official Information & Meetings Act 1987, the following information will be provided in a LIM:</p> <ul style="list-style-type: none"> a) Any information about natural hazards and the impacts of climate change that may affect the property, that is known to Council. b) Any special feature of the land including potential erosion, falling debris, subsidence, slippage, alluvion, inundation, or the likely presence of hazardous substances that is known to Council. c) Public stormwater and sewage drains as shown on Council records. d) Whether the land is supplied with drinking water and if so, whether the supplier is the owner of the land or a drinking water supplier. If the land is supplied with drinking water by a drinking water supplier, any conditions that are applicable to that supply and if the land is supplied with water by the owner of the land, any information Council has about the supply. e) Any rate owning on the property. f) Any consent, certificate, notice, order, or requisition affecting the land or any building. g) Any certificates issued by a building certifier. h) Information provided to Council under section 124 of the Weathertight Homes Resolution Services Act 2006. i) Zoning of the property and how the land can be used. j) Any information or classification that has been notified to Council by any other statutory organisations or network utility operator relating to the land or buildings. <p>In accordance to Section 44A(3) of the Local Government Official Information & Meetings Act 1987, Council may, at discretion, provide information that is considered relevant. This may include (where applicable):</p> <ul style="list-style-type: none"> a) Aerial maps of the property b) Health and Alcohol Licences c) Resource consent in the direct vicinity of the property d) Swimming pool information e) Rubbish Collection information f) Any further information Council may deem relevant. <p>A no-site inspection is not made for the purpose of a LIM</p>
10	Disclaimer
	<p>The information supplied in a LIM is prepared for the purposes of section 44A of the Local Government Information and Meeting Act 1987, and contains all the information held on file by Council and is provided in good faith. Every care will be taken to ensure that the information supplied by the Council on the LIM is accurate, however this cannot be guaranteed due to the possibility of alteration to a property in which Council is not notified. Council may supply information that has been provided by a third party (as this is held on file). Council can not verify if this information is reliable or accurate. Any such information should be subject to further checking by the applicant.</p> <p>The Council will not undertake any inspection of the land or any building on it for the purpose of preparing this LIM. The applicant is solely responsible for ensuring the land is suitable for a particular purpose.</p>
