### TRANSFER STATION CHARGES

There is a \$334 per tonne charge for rubbish destined for the landfill. Cost to drop off other items:

Treated Wood	\$334 per tonne
Mixed Recycling	\$334 per tonne
Construction and Demolition Material	\$334 per tonne
Green Waste	\$82 per tonne
Soil and Broken Concrete	\$70 per tonne
All Fridges, Freezers, Air-Conditioners and Dehumidifiers that contain F-gases. Please advise kiosk attendant.	\$47 per item

Help your community! Rubbish, like plastic is not greenwaste. Three instances of rubbish in your greenwaste bin may result in further action.
