

# Rating Information Database Confidentiality Form

## Request for Confidentiality on the Rating Information Database

Your name and all contact details are included in our Rating Information Database as required by the Local Government (Rating) Act 2002.

This database shows rating information about all properties in our district and is available for public inspection on our web site.

This means each property's rating details, together with the full name and all contact details of each owner, will be accessible for viewing at the Kawerau District Council, District Office, Islington Street, or online at the Council web site [www.kaweraudc.govt.nz](http://www.kaweraudc.govt.nz)

Kawerau District Council does not release this information in bulk format; each property must be viewed separately.

You have the right to withhold your name and/or all contact details from this database by completing the details below and mailing back to us at:
