

“TREES FOR BABIES”

“Trees for Babies” planting will be held on **Saturday 19th September 2020 commencing at 10.00am**

Every new Kawerau baby can now have a native tree planted in Monika Lanham Reserve, as part of Kawerau District Council’s “Trees for Babies” project.

If you have had a baby recently, you are welcome to register his/her name with the Kawerau District Council. A native tree will be ordered for you to plant on the day.

Please be at the planting site no later than **10.00am** so we are all together for the official welcome, blessing and group photo.

LET’S MAKE THIS A DAY TO REMEMBER

Bring along your friends and family and make this a special day.

Please bring a spade, your gumboots and a smile.

Every baby receives a “Trees for Babies” certificate

Add your baby's name to the "Trees for Babies" register by completing this form and returning it to:
